OCFS has set statewide target goals for the percentage of children in foster care living in congregate care and kinship foster care, to be achieved by September 30, 2021, as follows: **12% congregate care placements and 30% kinship foster care placements**. To assist the state in meeting these targets, the LDSS must identify target goals to reduce congregate care and increase kinship foster care to be achieved by September 30, 2021. Progress toward these goals, as of September 30, 2020, will be documented in the *Family First Transition Fund Outcomes Report* due November 1, 2020.

Utilizing the data provided on the next page, fill in the placement percentages as of December 31, 2018. Establish and fill in target goals<sup>1</sup> which may also be identified in the 3-year Retention and Recruitment Plan:

1. Reduce congregate care from 19 % (on December 31, 2018) to 16 % by September 30, 2021
